The diagram illustrates a network structure with nodes and edges. The nodes are labeled as follows:

- Ч** (Ch): Located at the top left, middle left, and bottom left.
- Ш** (Sh): Located at the top left, middle left, and bottom right.
- Э** (E): Located at the top center.
- Ю** (Yu): Located at the top right.
- 1**: Located in the middle right.
- 2**: Located in the middle left.
- 3**: Located in the middle right.

The edges represent connections between these nodes, forming a complex web. For example, node **Ч** (top left) is connected to **Ш** (top left), **Э** (top center), and **2** (middle left). Node **Ш** (top left) is connected to **Ч** (top left), **Э** (top center), and **2** (middle left). Node **Э** (top center) is connected to **Ч** (top left), **Ш** (top left), and **1** (middle right). Node **Ю** (top right) is connected to **3** (middle right). Node **1** (middle right) is connected to **Э** (top center), **3** (middle right), and **Ш** (bottom right). Node **2** (middle left) is connected to **Ч** (top left), **Ш** (top left), and **Ч** (bottom left). Node **3** (middle right) is connected to **Ю** (top right), **1** (middle right), and **Ш** (bottom right). Node **Ч** (bottom left) is connected to **Ш** (bottom right). Node **Ш** (bottom right) is connected to **Ч** (bottom left), **1** (middle right), and **3** (middle right).
